About the Digital Magazine

The Radio Veritas Digital Magazine is a quarterly publication highlighting the mission, voices, and outreach of Radio Veritas through stories, reflections, and community engagement.

FROM THE STATION MANAGER

Dear RV family. Welcome to the second quarter of our magazine 😊. This time we explore the theme “Alive in Faith, United in Mission”. It’s a theme that defines Radio Veritas purpose and speaks to two of our three pillars: Community and Catholicism. It reminds us of our vocation as the baptised, to serving others. When our personal devotion transforms into collective action, we become a unified body capable of remarkable impact. Together, we are called to serve, heal, and inspire.

Inside this issue you can look forward to inter alia :
• The announcement of the winner of Radio Veritas Fun-Share On-Air Relay,
• Radio Veritas Annual Youth Event,
• The launch of the Nuncio's book,
• Episcopal Ordination of Bishop Amos.

As you turn these pages, may your spiritual hunger and the call to serve be stirred. Ya kgaola ya ya! 😊

Alive in Faith, United in Mission **By Fr Boniface D'Souza OCD**

"We are co-workers in God's service; you are God's field, God's building" (1 Corinthians 3:9).

Faith comes from hearing and becomes alive in action: Being in the Church, we are all a part of the Church, like parts of a human body. We all work according to our part in that body and make up a unified structure. As individuals and groups, what we do greatly serves to build the body of Christ, which is the Church.

Faith is lived in action: Every action unites us in one common purpose. Radio Veritas, proudly our only Catholic radio station in South Africa, reflects this aspect through its actions. Different activities, different groups, different people from different age groups, creative activities... all these unite everyone and help to keep our faith alive.

Touching the lives of all: inspiration for action: Good News for a change has turned into good work for a change. Radio Veritas is making a change in the lives of many through creative activities. It has brought dignity and respect into the lives of many. For example, the charity drive hosted by Radio Veritas not only brings a smile to those children but also unites our youth and young adults, preparing them for the future ministry of serving the vulnerable in society. They will become an inspiration for many to serve society with love and kindness.

In this ministry, many faithful take part by donating needed items. Those who have been generous toward this ministry, donating various items, become a part of it.

In action, we are all united in one mission, and this shows our faith. Radio Veritas has given us all this opportunity.

PRIEST REFLECTION

AND WE HAVE A WINNER!

Celebrating Our Fun-Share On-air Relay Champions

After months of anticipation, the winners of the 2026 Radio Veritas Fun-Share On-Air Relay were officially announced on 4 June 2026, celebrating the outstanding efforts, creativity, teamwork, and generosity of the participating groups. Congratulations to the Catholic Women's League (CWL), who emerged as the overall champions of this year's Fun-Share On-Air Relay. As part of their prize, 10% of the funds they raised will be donated to their chosen charity, CWL Adoptions, in August 2026, continuing the spirit of giving that lies at the heart of the initiative.

Held on 25 March 2026 under the themes of The Annunciation and The Jubilee of St Francis, the annual Fun-Share On-Air Relay once again united faith, service, and community. Before taking to the airwaves, every participating group received training in radio presenting, content production, and the behind-the-scenes operations of broadcasting, equipping them with the skills to confidently share their message with listeners.

Throughout the day, the Business and Professionals, St Anne Sodality, the Sodality of the Immaculate Conception (Kemolo), Sacred Heart Sodality, the Catholic Women's Association (CWA), and the Catholic Women's League (CWL) brought the Radio Veritas studios to life through inspiring discussions, music, and heartfelt appeals. Together, they helped raise funds to support the mission of Radio Veritas

while demonstrating the power of faith in action.

In addition to crowning the overall champions, several special awards recognised excellence across the relay. Most Creative Promo was awarded to the Catholic Women's League (CWL), while the award for the group that presented well on-air went jointly to Kemolo and St Anne Sodality. The Business and Professionals received the award for group that sounded most professional.

The award for most vibrant group on-air was shared by Sacred Heart Sodality and CWA, together with the Catholic Women's League (CWL). Both St Anne Sodality and Kemolo, alongside CWL, were recognised as the teams that best unpacked the Annunciation and The Jubilee of St Francis themes. Great on-air teamwork honours went to the Business and Professionals, Sacred Heart Sodality and CWA, and the Catholic Women's League (CWL).

Outstanding individuals were also recognised. Best Presenters were:

- Business and Professionals – Mme Phumzile Ntuli & Ntate Patrick Ndlovu
- Kemolo – Mme Evelyn Mahlangu
- St Anne Sodality – Mme Tumediso Baikgaki
- Catholic Women's Association – Mme Letty Raphuti
- Sacred Heart Sodality – Ntate Valentine Dlamini
- Catholic Women's League – Mme Noluthando Mkhize

The Best Team Player awards, as voted by each team, were presented to:

- Business and Professionals – Mme Ihuoma Enwere
- Kemolo – Mme Helen Ncube
- Catholic Women's Association – Mme Letty Raphuti
- Sacred Heart Sodality – Ntate Valentine Dlamini
- Catholic Women's League – Mme Hope Mulaudzi & Mme Katlego Moncho

The Fun-Share On-Air Relay continues to be one of Radio Veritas' most meaningful annual initiatives, bringing together sodalities, ministries, associations, and Catholic organisations in support of evangelisation while strengthening the bonds of community and service.

Could your group be next year's champion? If your sodality, ministry, association, league, or parish group would like to participate in the next Fun-Share On-Air Relay, we would love to hear from you. Email us at hello@radioveritas.co.za and become part of this inspiring tradition of faith, fellowship, and generosity.

OUR PILLARS

Country Pillar

As a radio station in South Africa, Radio Veritas strives to contribute towards solutions to the challenges that the country is faced with, by equipping and empowering the listener and community with information that will contribute positively in their lives. This is done through on-air programmes and by hosting events, sessions and facilitating projects.

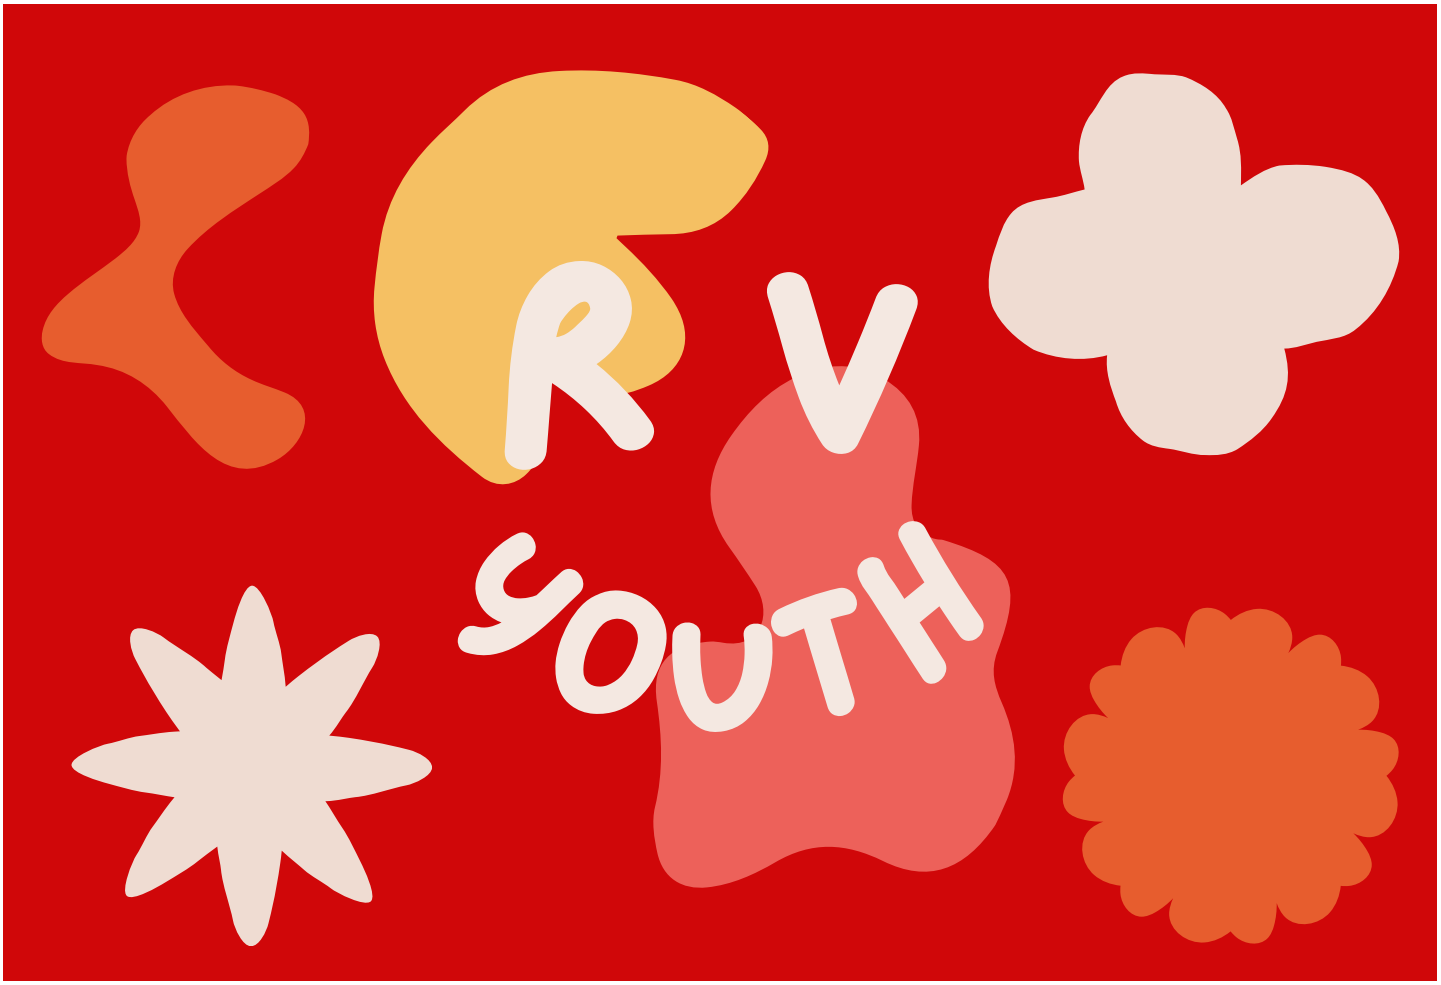

Catholicism Pillar

As a Catholic radio station, Radio Veritas strives to deliver Catholic content, educate and engage its listener on the Church's teachings, bring spiritual healing and help the listener with their faith journey; aspiring to bring them closer and closer to the Lord.

Community Pillar

Radio Veritas builds a connected community of faith by creating a space where listeners feel they belong, participate, and support one another. Through shared stories, prayer, and active involvement, it transforms audiences into a united family, offering connection, hope, and spiritual support beyond physical boundaries.

COUNTRY PILLAR

YOUTH SUBCATEGORY

The Youth Subcategory is at the heart of the Radio Veritas mandate to uplift, inform, and empower the people of South Africa. As part of the Country and Catholicism Pillars, it focuses on nurturing young people spiritually, intellectually, and socially, helping them navigate modern challenges while remaining grounded in Catholic faith and values. Through on-air programming, digital content, events, and collaborations, Radio Veritas remains a relevant and trusted voice for the youth of South Africa. A key initiative within this subcategory is the 12 month Youth Programme, which equips participants with practical broadcasting skills in technical production, content creation, presenting, and radio operations, leaving them with valuable experience, confidence, and skills that prepare them for future opportunities and meaningful service to the Church and society.

YOUTH SPOTLIGHT

HAND-IN-HAND

"You are not alone. Whatever you're facing, there is a place for your questions, your struggles, and your faith." This message lies at the heart of Hand-in-Hand, a youth programme on Radio Veritas hosted by Natasha Mogatusi and Kaela Tondo.

In a world where young people are navigating studies, careers, relationships, social media, and the search for purpose, Hand-in-Hand offers a space to pause, reflect, and rediscover hope through faith. The programme was created to uplift, encourage, and empower young people by sharing the timeless truth of God's Word in a way that speaks to everyday life.

Each episode combines Scripture, inspiring stories from the Bible, modern-day testimonies, uplifting music, and honest conversations. Rather than providing simple answers, the programme creates meaningful discussions that acknowledge life's challenges while pointing listeners towards Christ as the source of hope. The team believes that faith should never be separated from everyday experiences but should guide and strengthen every aspect of life.

Throughout this quarter, Hand-in-Hand explored topics that resonate with many young Catholics, including living out their faith in a digital world, embracing an authentic Catholic identity, discovering God through music, and finding hope in Scripture during seasons of uncertainty. Carefully selected guests bring fresh perspectives, making each conversation both relatable and firmly rooted in Catholic teaching.

One particularly memorable episode featured the Christian music group LIN D, exploring the relationship between music and faith. The discussion highlighted how music can become a pathway to prayer, healing, and a deeper encounter with God. Despite coming from different countries and cultures, everyone involved shared the same love for Christ and desire to help young people connect biblical truths with modern life.

The programme's greatest impact has been creating a welcoming space where young people feel heard. By addressing topics such as identity, purpose, relationships, doubt, and faith without judgement, Hand-in-Hand reminds listeners that they are never alone.

The team's message is simple: it is okay not to have everything figured out. God remains present through every season of life. Together, through prayer, community, and faith, young people can continue growing, finding hope, and walking hand-in-hand with Christ and one another.

BUSINESS 360 AFTERNOON DRIVE

Every successful business begins with a vision, but sustaining it requires purpose, resilience, and a willingness to learn. Business 360, co-hosted by Mr Sifiso Ndwandwe and Karen Goldstone-Hoffman, provides a platform where practical business insights meet ethical leadership, inspiring entrepreneurs to build businesses that make a lasting impact.

Mr Sifiso Ndwandwe is an entrepreneur, development practitioner, and servant leader with nearly four decades of experience working alongside entrepreneurs and communities across Southern Africa. His co-presenter, Karen Goldstone-Hoffman, is a corporate governance professional, business leader, and founder of GovGrowth, with more than 20 years of experience across various industries. Together, they bring a wealth of knowledge and complementary perspectives to the programme.

The idea for Business 360 was born when they were invited to co-present a new business programme, despite having no prior radio experience. What began as a leap of faith has grown into an engaging platform dedicated to educating, encouraging, and equipping entrepreneurs, particularly young people entering the world of business. Karen credits Radio Veritas management for believing in two strangers with a shared passion to serve, while also acknowledging the support of her co-presenter, the production team, their guests, and the loyal listeners who tune in every Friday.

This quarter, Business 360 explored youth entrepreneurship, MSME development, customer experience, leadership, the future of work, and the role of artificial intelligence in business and society. A recurring message throughout these discussions was that aspiring entrepreneurs do not need to wait for perfect conditions before taking the first step. Instead, success is built on purpose, discipline, resilience, continuous learning, and responsible leadership.

One particularly memorable episode examined the realities facing young entrepreneurs and the importance of creating businesses that solve real problems within communities. It reinforced the idea that entrepreneurship is about more than generating profit — it is about creating opportunity, restoring dignity, and delivering long-term value. The inspiring stories of young entrepreneurs turning limited resources into thriving ventures demonstrated the power of innovation and perseverance.

Through practical insights, honest conversations, and real-life experiences, Business 360 continues to empower listeners to think beyond survival and build businesses that are sustainable, ethical, and purpose-driven. The message is simple: start where you are, use what you have, remain committed to learning, and build with integrity. Businesses grounded in service, guided by purpose, and willing to adapt will always be best positioned for lasting success.

Catholic Corner

ABOUT US

A Marian Programme, where we pray through music.

MONDAY - FRIDAY

09:00 - 10:00

Community Spotlight

Catholic Corner

In the midst of busy schedules and constant distractions, Catholic Corner offers listeners a peaceful space to pause, pray, and encounter God. Through music, reflection, and Marian spirituality, the programme gently invites hearts to grow closer to Christ while deepening their understanding of the Catholic faith.
The inspiration behind Catholic Corner comes from a desire to create a space where people can pray through music with a Marian touch. More than just a radio programme, it is an invitation to step away from the demands of daily life and listen for God's voice through music, reflections, meditations, teachings, and stories of faith. Every episode encourages both presenters and listeners to open their hearts to the Lord and embrace the peace that comes from spending time in His presence.
Throughout this quarter, the programme has journeyed through daily reflections designed to strengthen listeners' relationship with God. A particular highlight has been the Marian Feature, which explores the Mysteries of the Rosary. Each week, a different mystery is unpacked, offering listeners an opportunity to reflect on Mary's life and witness. Her example continues to lead the faithful closer to Jesus while providing practical lessons for living out the Gospel in everyday life.

Rather than pointing to one standout episode, the programme recognises that every message has the potential to touch someone at exactly the right moment. One of the unique blessings of Catholic Corner is that each listener's faith journey is different. A reflection that speaks deeply to one person may offer comfort, healing, or encouragement to another. The team hopes to hear more from listeners about the messages that have inspired them and the reflections that continue to resonate long after each broadcast.

Through prayerful music, Scripture reflections, Marian teachings, and moments of quiet contemplation, Catholic Corner helps listeners connect the richness of Catholic teaching with their daily lives. It encourages a deeper appreciation for prayer, the Rosary, the liturgical seasons, and the many ways God continues to reveal His presence.

The invitation to every listener is simple: set aside a sacred moment each day for God, even if it is only a few quiet minutes. Consider keeping a prayer journal, learn to listen for God's gentle voice in the silence of your heart, and journey with Mary, who always leads us to her Son. God is present in every moment, continually inviting us into a deeper relationship with Him.

COMMUNITY PILLAR

The Community pillar reflects the heart of Radio Veritas' identity as a community radio station; rooted in service, connection, and active public involvement.

Under the Community Pillar, it ensures that Radio Veritas not only complies with the regulations and expectations of ICASA, but also genuinely engages the people it serves.

This subcategory focuses on uplifting local voices, encouraging listener participation, and creating platforms for communities to share their stories, needs, achievements, and concerns.

Through interactive programming, outreach projects, parish partnerships, and listener-driven content; the Community pillar helps build a vibrant, participatory, and faith-centred community that remains at the core of Radio Veritas' mission.

Youth Month Edition

Masolenyana: Ahe Kriste Morena Presenters

Community Spotlight

Ahe Kriste Morena

Ahe Kriste Morena programme was born from a vision of Fr Sefako Santawana during Youth Month in South Africa. The programme was created to provide the children of Masolenyana a Kriste Morena with a platform to deepen their Catholic faith while discovering the lives of young saints and blesseds whose witness continues to inspire the Church today. Through research, preparation, and presentation, the children actively shared Catholic teachings, demonstrating that evangelisation is a mission in which young people can confidently participate.

Throughout the quarter, the programme explored the lives, patronage, and journeys to sainthood of St Maria Goretti, St Carlo Acutis, the Uganda Martyrs, St Charles Lwanga, St Kizito, Blessed Isidore Bakanja, Blessed Benedict Daswa, and St Josephine Bakhita. Each episode highlighted virtues such as courage, forgiveness, purity, faithfulness, and perseverance, reminding listeners that holiness is possible in every generation. The story of St Carlo Acutis particularly encouraged young people to see technology and social media not merely as entertainment, but as powerful tools for evangelisation and sharing Christ with the world.

One of the programme's most memorable aspects was hearing the children reflect on Sacred Scripture through the lives of the saints. Their presentations on St Maria Goretti and Blessed Benedict Daswa were especially moving, focusing on the Christian call to forgive, even in the face of suffering and injustice.

These reflections reminded listeners that forgiveness is a powerful expression of God's mercy and that the examples set by the saints remain relevant in everyday life. Fr Santawana also shared that every episode became a highlight, as it was inspiring to witness the dedication, confidence, and spiritual growth of the children as they prepared and presented each programme.

Beyond the broadcasts, Ahe Kriste Morena fostered unity by bringing together children from across the Archdiocese, alongside their guides, parents, and parish communities. The programme strengthened communication skills, encouraged teamwork, built confidence, and deepened the children's understanding of the Catholic faith while allowing listeners both locally and abroad to share in their journey.

Looking ahead, the hope is that Ahe Kriste Morena will continue inspiring young people to embrace holiness in their everyday lives. The programme reminds us that faith is not reserved for adults alone. When children are nurtured by their families and the Church, they too can become joyful disciples, courageous witnesses, and enthusiastic proclaimers of the Gospel, following in the footsteps of the saints who have gone before them.

Presenter Spotlight

Mrs Toni Rowland

Known to many simply as Toni, Antoinette Rowland has spent decades serving the Church with warmth, wisdom, and authenticity. Named after her favourite saint, St Anthony, the patron saint of lost thing, she jokes that at 82 she is more likely to lose her car keys, a password, or keep up with the latest AI technology than lose her heart, especially when it comes to her love for music and family.

A widow for 26 years, Toni is the proud mother of four married children, grandmother to seven grandchildren, and great-grandmother to two great-grandchildren. Although she admits she is not a hands-on grandmother and does not see all of them as often as she would like, she treasures being affectionately known as "Gogo Toni" at Radio Veritas. Beneath her approachable and informal style is a lifelong learner who enjoys reading, studying the latest Church documents, and keeping abreast of the social realities that shape family life today.

Marriage and family have always been at the centre of Toni's vocation. Together with her late husband, Chris, she experienced a profound transformation through Marriage Encounter. It was through this ministry that they met Fr Emil and eventually became part of the Radio Veritas family. Toni first co-presented a women's programme before finding her long-standing home on Family Matters, a programme she has hosted since the station's early beginnings.

As co-founder and coordinator of MARFAM, Toni draws inspiration from the organisation's Family Year Planner, using its monthly themes to guide discussions on marriage, parenting, grandparents, creation, sexuality, bereavement, and God's place within family life. Each programme aims to educate, inspire, and strengthen relationships, encouraging families to grow closer in faith, with storytelling on family spirituality remaining one of her greatest passions. Looking back, Toni finds it impossible to single out one highlight from her years on air; the guest interviews, outside broadcasts, and friendships built within the Radio Veritas community have all made the journey deeply rewarding. Her message to listeners is simple: be as real as you can. She hopes everyone will continue to value and support the mission Radio Veritas faithfully shares with its listeners every day.

Technical Producer Spotlight

Pitso Ramutubeli

Every broadcast heard on Radio Veritas is made possible by a dedicated team working behind the scenes. Among them is technical producer Pitso Ramutubeli, whose passion, experience, and commitment have helped keep the station on air for more than two decades.

Pitso is the second-born in his family and was raised by his grandmother in the Catholic faith. He was married to the late Mrs Lebohang Ramutubeli, whose memory continues to inspire him. His journey with Radio Veritas began in 2002 when he joined the station as a young volunteer. Over the years, he has grown both personally and professionally, gaining valuable experience while serving alongside a team he proudly calls family.

Working behind the scenes is the aspect of radio Pitso enjoys most. Although the role is exciting and deeply rewarding, it is also demanding. Each day presents new challenges depending on the workload, requiring focus, adaptability, and a commitment to excellence to ensure every programme reaches listeners at the highest possible standard.

One of the greatest challenges he faces is editing pre-recorded programmes that have not been captured with good sound quality, making it difficult to produce a polished final product. Live broadcasting also comes with its own pressures, especially when technical issues arise unexpectedly on air. There are moments when a programme has already been edited, only for a mistake to be noticed during the final listen, creating additional pressure. Emergency recordings that must be edited and scheduled within a very short time also require quick thinking and careful attention to detail.

Despite these challenges, Pitso remains passionate about his work. What he enjoys most about Radio Veritas is the spirit of teamwork that exists among colleagues. He appreciates the dedication, hard work, and positive attitude of those around him and is grateful for the supportive leadership that has helped him grow throughout his journey. For Pitso, serving behind the scenes is more than a job — it is a meaningful vocation in service of the Church and its mission.

PITSO RAMUTUBELI

Content Producer Spotlight

Mamello Howa

Behind every engaging episode of Business360 is thoughtful planning, meaningful research, and a passion for storytelling. As the programme's content producer, Mamello Howa plays a key role in ensuring that every broadcast informs, inspires, and creates lasting value for listeners.

Mamello's love for radio began during her campus years, where she found herself surrounded by vibrant conversations, fresh ideas, and voices that brought stories to life. It was in that environment that she discovered the unique power of radio to connect people, share knowledge, and inspire positive change. What started as a curiosity soon developed into a passion that continues to shape her career today.

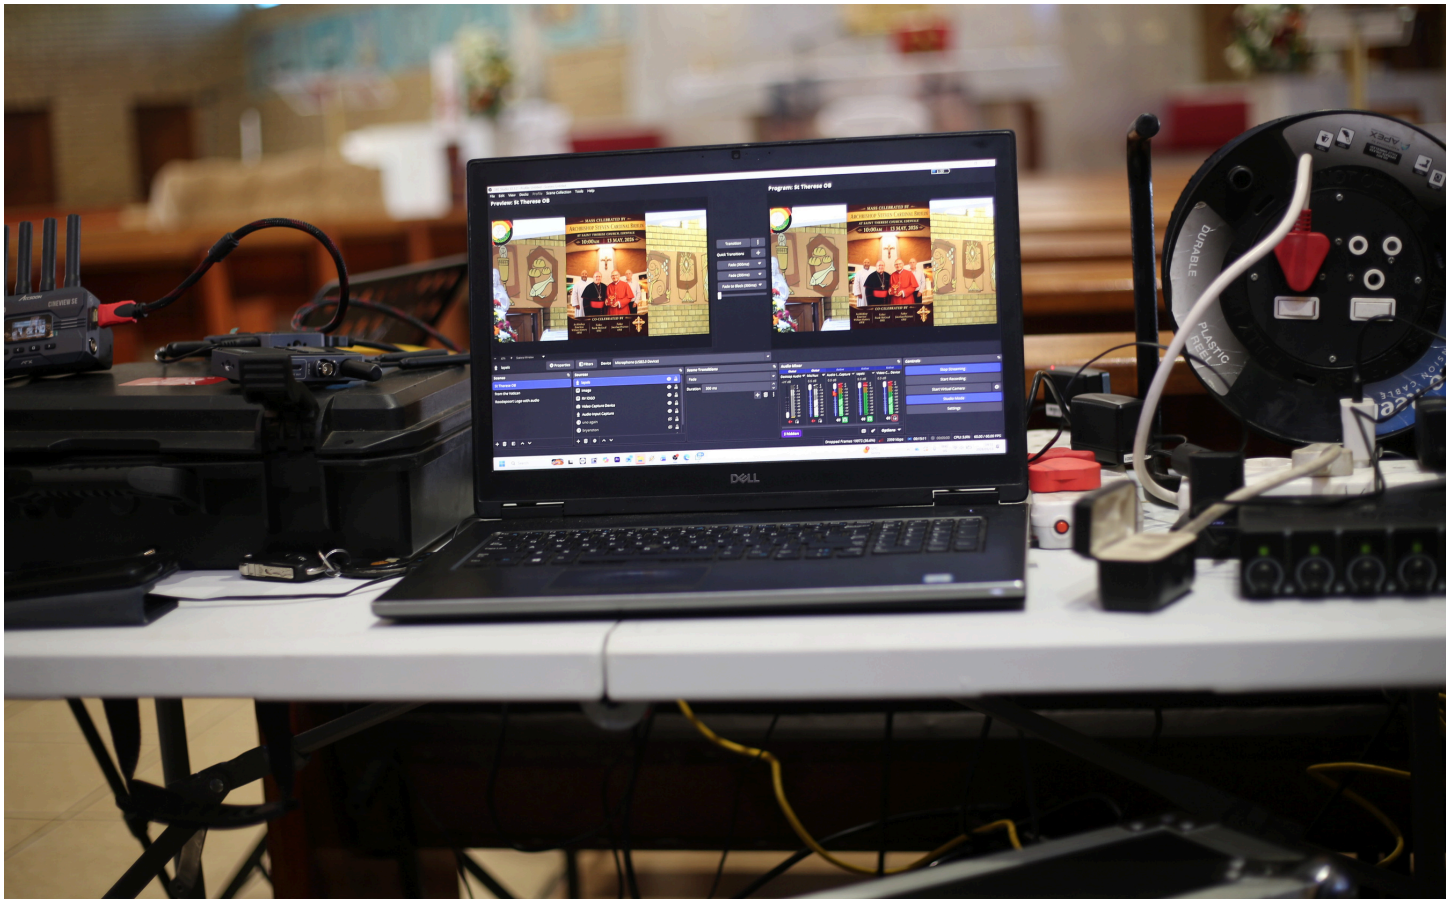

As content producer for Business360, Mamello works behind the scenes to give each programme purpose and direction. Her responsibilities include researching relevant business topics, coordinating with guests, and carefully planning every episode. She enjoys transforming complex business concepts into simple, relatable conversations that resonate with listeners from all walks of life. For Mamello, producing content is about much more than sharing information — it is about ensuring that every discussion is practical, inspiring, and applicable to everyday life.

One of the most rewarding aspects of her role is knowing that a single conversation or idea shared on air could encourage someone to start a business, solve a problem, or take the next step in their entrepreneurial journey. While the role comes with challenges, including tight deadlines and coordinating multiple moving parts, these demands only strengthen her commitment to excellence.

Driven by the passion first ignited during her campus days, Mamello continues to use radio as a platform to educate, empower, and inspire listeners, one meaningful conversation at a time.

OUTSIDE BROADCAST

BY IHUOMA ENWERE

From the vibrant streets of Johannesburg to the wide grasslands and gentle hills of the Free State, the Radio Veritas team hits the road on a mission stretching far beyond our studio walls. Through our Outside Broadcasts, we carry evangelisation into communities, offering live experiences of faith, events, and inspiration to those who cannot attend in person.

This outreach lets us engage closely with audiences, spread the Gospel, and make certain that no moment of celebration or reflection goes unnoticed. We also record and air numerous events throughout South Africa, making them available to broader audiences unable to attend in person.

If you would like Radio Veritas to cover your event anywhere in South Africa, reach us at sales@radioveritas.co.za

Outside broadcasts remain a powerful extension of our ministry, letting us meet people wherever they are, celebrate faith in varied settings, and share stories that unite and inspire local communities. Every broadcast stands as a reminder that the Church is alive, active, and present in every corner of the country and beyond our borders and communities.

By Juanita Barnes

My name is Juanita Barnes, a parishioner of St Francis of Assisi Catholic Church, Reiger Park, Boksburg, under Fr Aaron Nakufa, an amazing and knowledgeable shepherd. At my parish, I serve as an EMHC, funeral minister, PFC member, and liturgical committee member, embracing each role's challenges. I became an RV member through my cousin, Chubby Assy, and never looked back. The warmth and camaraderie of the members make it an amazing experience, and my spirituality grows daily through the prayers, mass recordings, and homily explanations that make scripture easier to understand. My prayer is that Veritas continues to grow in numbers and stature, so more people can experience this love and belonging.

YOUTH DAY CELEBRATION IN THE DIOCESE OF KLERKSDORP

The Radio Veritas Youth & Young Adults Team, in collaboration with the Klerksdorp Diocese Youth Ministry Committee, hosted the annual youth event at St Ephraim Catholic Church, Potchefstroom, on 20 June, bringing together young people from across the diocese. The celebration began with Mass, with Fr Gerald Thato Mosomane as main celebrant and Fr Thuto Prince Mosomane as preacher, concelebrated by Fr Thabang Bogosi Matlaba and Fr Jackson Letshoara, with Rev Senyane and Rev Sepheakgang serving as deacons. In his homily, Fr Thuto encouraged the young people to remain true to themselves. Diocesan elections for the new Klerksdorp Diocese Youth Ministry Committee followed, welcoming newly elected leaders. Afterwards, the Radio Veritas team treated the youth to interactive games and activities.

GET INVOLVED

BE PART OF THE MISSION

Radio Veritas, South Africa's only Catholic radio station, has grown into a vital part of the Catholic faith community across the country and beyond. Its mission: to entertain, inform, educate and inspire its listeners, and to serve as a powerful instrument of outreach and evangelisation.

Yet sustaining this requires resources on a considerable scale. Radio Veritas remains deeply grateful to its faithful and dedicated supporters, past and present, whose generosity has enabled the station to reach the standing it holds today within the Catholic community. Nevertheless, greater support is needed. New donors are continually being sought, individuals willing to contribute at least R50 or more each month.

There are more than 1 million Catholics in the greater Gauteng area alone, and 5 million nationwide. Among these, we are confident that sufficient numbers appreciate the work we do and love their faith deeply enough to play some role in this mission that has been entrusted to us.

Regardless of whether one can receive our signal, our shared unity in faith calls us to participate in this ecclesial mission; one that reaches far beyond provincial and diocesan boundaries.

IN LOVING MEMORY OF NTATE VALENTINE DLAMINI

BY LEOPOLDO MABOTA

Jesus, meek and humble of heart,
make our hearts like unto Thine.

In honour of our beloved brother, Mr. Valentine Dlamini, a dedicated member of the Sacred Heart Sodality Executive of the Archdiocese of Johannesburg, who was called to his eternal rest on 21 June 2026.

Valentine was a man of unwavering dedication, vibrant spirit, and infectious enthusiasm. Whatever responsibility he accepted, he approached it with determination, commitment, and a firm belief that every goal could be achieved through hard work, faith, and perseverance. He inspired those around him with his positive attitude and his willingness to serve both God and His people.

As members of the Sacred Heart Sodality, we have not only lost an executive member, we have lost a dear brother, a faithful servant, and a companion on our journey of faith. His presence among us will be deeply missed, but the example of his devotion, generosity, and love for the Sacred Heart of Jesus will continue to inspire and encourage us.

The Word of God reminds us:

"I have fought the good fight, I have finished the race, I have kept the faith." (2 Timothy 4:7)

To his family, relatives, and friends, we extend our deepest condolences and assure you of our prayers. May the Sacred Heart of Jesus, whom Valentine loved and served, grant you strength, comfort, and hope during this time of sorrow.

Eternal rest grant unto him, O Lord, and let perpetual light shine upon him. May his soul, and the souls of all the faithful departed, through the mercy of God, rest in peace. Amen.

Faith, Learning, and Purpose: My Journey to a Doctorate

By Moshala Malatji

My academic journey has been driven by a passion for learning and a desire to make a meaningful contribution to education. As I progressed in my teaching career, I realised that furthering my studies would equip me with the knowledge, skills, and leadership competencies needed to make a difference, both now and in the future.

This journey recently culminated in earning a Doctor of Business Administration (DBA) from the Tshwane University of Technology (TUT). Many people ask why a teacher would pursue a business doctorate. My answer is simple: education is also an organisation that requires effective leadership, strategic management, and sound decision-making. I believe that applying business and management principles in education can improve organisational performance, strengthen resource management, and ultimately lead to better educational outcomes. My research was inspired by a desire to improve organisational effectiveness within the public sector.

Throughout this journey, my faith and my involvement with Radio Veritas have been a constant source of encouragement. I have never eeded complete silence while studying, so I often kept Radio Veritas playing softly in the background. Programmes such a s Catholic Corner and the Marian hymns brought peace during stressful moments and reminded me to remain rooted in God.

Although I was not born Catholic, I embraced the Catholic faith through marriage, and Radio Veritas became an important part of my spiritual formation. It has taught me so much about the faith and continues to inspire me daily. When the Radio Veritas Clubs were launched, I immediately became a member because I wanted to contribute to the sustainability of a ministry that has enriched my life. I also wanted others to experience the learning, encouragement, and hope that Radio Veritas offers.

One programme that has left a lasting impression on me is Spirit Wednesday. A particular episode about standing firmly for the truth, regardless of the cost, had such a profound impact that I even referenced it in my autobiography. It continues to inspire me to live with courage, integrity, and unwavering faith.

My message to students, professionals, and the entire Radio Veritas family is this: stay focused, remain consistent, and do what you love. God has given each of us unique gifts to discover, develop, and share with the world. Along the journey, we all need encouragement, hope, and spiritual strength. Let Radio Veritas accompany you every day, reminding you that with faith, perseverance, and God's grace, every dream is within reach.
